Pathway Choices & Programs at Riverside

Graduate High School from Riverside College

- Students can attend Riverside College in their Grade 12 year and earn their high school diploma while at the same time working towards a future trade as part of the Dual Credit Diploma option. Students earn course credits towards graduation and trade credentials.

Attend Riverside after High School Graduation

- Alternatively, students may attend Riverside College after they graduate high school to complete a trade or career training program.

Our programs integrate both in class instruction and hands-on experience. Additionally, at Riverside College most programs offer a unique Work Study program, where students attain on the job training and opportunities for future employment in their chosen field.
