Pathway Choices & Programs at Riverside

Graduate High School from Riverside College

- Students can attend Riverside College in their Grade 12 year and earn their high school diploma while at the same time working towards a future trade as part of the Dual Credit Diploma option. Students earn course credits towards graduation and trade credentials.

Attend Riverside after High School Graduation

- Alternatively, students may attend Riverside College after they graduate high school to complete a trade or career training program.

Our programs integrate both in class instruction and hands on experience. Additionally, through Riverside College's unique Work Study program students attain on the job training and opportunities for future employment in their chosen field.
