

Policy Review and Feedback Opportunity

For Immediate Release

April 21, 2023

Mission Public Schools is seeking public feedback on THREE significant policies. The policies (below) have been updated by staff and reviewed by partner groups at a recent Committee of the Whole meeting. The Safe, Caring, and Respectful Schools Policy included a review process by a student group that included four working sessions. During the final session, students presented their ideas to the school principals.

Today we need your help. We want to hear from our staff, families, and students. Please review the policy documents and provide your feedback in our online survey. Your response can win you a \$25 gift card.

Policies that are currently under review but approved in principle by the Board of Education include:

- Equity, Diversity, and Inclusion (Policy 2.0)
- Safe, Caring, and Respectful Schools (Policy 3.0)
- Safe, Caring, and Respectful Workplaces (Policy 5.0)
